

# St Pius X Catholic Primary School

Tennyson Road, Chelmsford, CM1 4HY

01245 354875 – [www.stpiusxchelmsford.co.uk](http://www.stpiusxchelmsford.co.uk)

Headteacher: Mrs S. Derbyshire

Our school is a small, caring and happy school where all the children and teachers know one another and where every child matters. Our committed and talented staff provide a rich and challenging curriculum and strive to encourage a love of learning in our pupils.

Everything we do is underpinned by our Catholic faith where the whole school agrees; *'Together in God's loving family, we believe, we learn, we grow'*. We work in partnership with parents and the Church to provide opportunities to develop the spirituality of our children. We have close links with our parish church, Blessed Sacrament, Chelmsford where school Mass is regularly celebrated. We value the joy of working and learning in a community that is strengthened by common values and expectations and that strives to serve God through service towards others. Our children are also taught to respect and value other cultures and faiths.

We believe in high aspirations, high motivation and high achievement for all. We encourage children to have high expectations of themselves and aspire to be the best that they can be.

Our children are very happy here and together with parents, the parish and community we enable the children to grow into successful, happy and caring individuals who are ready to go out in the world and make a difference.

We are all proud of our school where pupils enjoy their learning in a caring environment where they feel safe, secure and valued.

Please take time to explore our school website [www.stpiusxchelmsford.co.uk](http://www.stpiusxchelmsford.co.uk) which I hope you will find both informative and useful. If you are interested in sending your child to St. Pius X and require further information or you would like to visit the school, please contact the school office to arrange an appointment.
